P. O. BOX 117

• WENATCHEE, WASHINGTON

# 1961

## FOREWORD

We take pleasure in presenting this, our 1961 catalog. This is the greatest array of newer iris that we have ever offered to the public. This is truly an iris fancier's catalog.

To our many old customers, thanks for your orders. We hope to hear from you again soon. To prospective new customers, try us and see the quality of our large rhizomes. We will treat you right. We get many repeat orders the same season from satisfied customers.

The garden gates are open on week days from 10:00 A.M. to 5:00 P.M. During blooming season, we are also open Saturdays and Sundays same hours; evenings by appointment. You are cordially invited to visit the garden and see the modern iris, the rockeries, and the shrub and flower borders. The plantings make an attractive back drop for the iris.

Lots of newer iris, in too short supply to list in the catalog, are being grown here to increase stock so as to be able to list them another season. We grow lots of "Guest" iris—showing and testing them for other hybridizers. We have about fifteen thousand new seedlings to bloom for the first time from exciting crosses. Re-selected seedlings are grown and tested to see if they merit introduction. Come and see them and let us know which ones you like. We'll be looking for you.

We're getting our catalog to you early so you will have time to get your order in early. See page 7 for the bonus for early orders.

GORDON W. PLOUGH

## About the Catalog

In the descriptions, E, M, and L, signify Early, Mid-season, and Late. In the breeding look first for the capital "X." To the left of this is the pod parent. To the right is the pollen parent.

A word about the awards may help you who are not A.I.S. members to understand them. H. C. (High Commendation) is an award given to a seedling iris, either under number or name, not introduced at time of judging. This is a recommendation that this variety is worthy of introduction. Next honor in line that an iris may win is the H. M. (Honorable Mention). Any iris that has been officially registered and introduced before the current January 1 is eligible for this award. Next comes the A. M. (Award of Merit). This award is given only to those iris that have won an H. M. not less than two or more than five years prior to the current season. The top award is the Dykes Medal. For a tall bearded iris to win this, it must first have won the A. M. during the previous four years. Mention should be made here, too, of the President's Cup award. This is given to the outstanding iris variety seen at each yearly convention of the A.I.S.

So keep in mind in reading this catalog that there is just one Dykes Medal awarded each year. There are 12 A. M.'s awarded each year (or more if a tie vote appears for 12th place). There is no limit to the number of H. M.'s awarded each year. A tall bearded variety must receive 12 A.I.S. judges' votes to get this award. There were 48 H. M.'s awarded to Tall Bearded iris in the 1960 voting.

## Cultural Directions for Bearded Iris

Rhizomes will be shipped to you in a firm condition and should be planted as soon as possible after they are received. If you are unable to plant on receiving them, then be sure to keep the rhizomes in a dry and cool place until you can plant them.

Your soil should be damp before planting and a good wetting after planting is usual, depending on weather conditions. After roots are well established, be careful and DON'T water too often. Bearded iris demand good drainage. If your soil is heavy and poorly drained, set the rhizomes a little higher than the surrounding soil. The rhizome should be planted so the soil just covers it and no more; be sure and spread the roots well and firm the soil around them. This will anchor the rhizome until the new roots form.

In early spring a side dressing of **WELL ROTTED** manure produces beautiful blooms. Care must be taken not to allow any fertilizer to come in direct contact with the rhizome.

Separate your plants about every third year for best results.

A small handful of bone meal to each plant well worked through the soil before planting is advised.

In the colder sections, a winter mulch is good cheap insurance for newly set plants. Evergreen boughs, pine needles, excelsior or any coarse materials that will not mat down are suggested as good materials.

## 1961 INTRODUCTIONS

We take pleasure in presenting the following new iris from Eden Road. All have been carefully selected and we think you will like them. There are one from Lone Hope, four from Jeannette W. Nelson, two from Ross Olson, one from George Shoop, two from Melvina Suiter, and seven from Gordon W. Plough. There are six color prints of these new beauties.

**AMBER BLUSH** (Suiter '61) M. 34 in. (Apricot Glory X Top Flight). A stunning creation of warm ivory white with center of standards flushed pink. There is a heavy amber blush on the hafts and extending two-thirds way down the falls. Tangerine beard. Striking and different. \$20.00

**BWANA** (Plough '61) ML. 32 in. No. 51-200-7. (Futuramic X Campfire Glow). Here is a rich and colorful dark beauty. The standards are Maroon, Wilson 1030/3 and are well held. The semi-flaring falls are Doge Purple, Wilson 732, blended with maroon and brown with a bright purple blaze and smooth brown hafts. Beard is yellow tipped brown. Fertile both ways.....\$15.00

**CHERRY PINK** (Plough '61) M. 34 in. No. 56-39-46. (Truly Fair X Pink Enchantment). A bright deep pink self with deeper pink beard. This one charts Azalea Pink, Wilson 618/3 with beard 618. It is all pink with great carrying power in a medium to large, full petaled flower of almost semi-flaring form. Fertile pollen.....\$20.00

**COUNTRY CLUB** (J. Nelson '61) ML. 38 in. No. 58-83-1. (Pinnacle x Dolly Varden) X (Nike sib). Sib to North Country. This is a very different and attractive yellow amoena. The closed standards are a pure sparkling white, and the very flaring, ruffled falls are Empire Yellow, Wilson 603/2, with the haft and underside Empire Yellow, Wilson 603, and with an intriguing edge of the same deeper yellow. The beard is Empire Yellow. The substance is fine, and there are three branches and terminal. Fertile both ways.....\$20.00

**EASTER VALLEY** (Plough '61). See page 4.

**FRENCH FLAIR** (J. Nelson '61). See page 4.

**GLAMOROUS** (Plough '61) ML. 34 in. No. 56-56-5. (Colockum x (Gilt Edge x Hit Parade)) X (Riviera). Heavily ruffled and lacy flower done in tones of Empire Yellow, Wilson 604. Beard is Indian Yellow, Wilson 6. There is pink on both sides of parentage. Fertile both ways.....\$25.00

**LATIN QUARTER** (J. Nelson '61) ML. 36 in. No. 59-10-1. (Twenty Grand x Inca Chief) X ((Brass Band x Bronze Brocade) x Inca Chief). This is a very striking rich brown with falls deeper than the well domed standards, and with clean dark red-brown thumb prints on the haft. There is a small blue blaze below the orange beard. Good substance and branching. Fertile both ways.....\$20.00

**LEATHER LACE** (Plough '61). See page 5.

**LORNA LYNN** (Plough '61). See page 5.

**MY JEWEL** (R. Olson '61) EM. 30 in. No. 57-2. (Frances Kent X June Bride). Intense orange-apricot self with tones of peach, lemon and pink. There is a white area at tip of bright tangerine beard. Form is flaring. Very attractive new beauty. H.C. '60.....\$25.00

**NORTH COUNTRY** (J. Nelson '61) ML. 36 in. No. 58-83-2. (Pinnacle x Dolly Varden) X (Nike sib). Sib to Country Club. Here is a very wide, very flaring white of real leather-like substance. The standards are wide and domed and the falls are slightly brushed yellow at the throat, with an orange beard. The branching is excellent with three branches and terminal. Fertile both ways. Pictured on page 17.....\$20.00

**PRECIOUS PROMISE** (R. Olson '61) EM. 38 in. No. 57-1. (Frances Kent X Palomino). Beautiful pastel blend with standards of pink-apricot blended to lemon edges, and falls of apricot, pink and lemon. Beard is heavy and tangerine. One of the luscious new derivatives from Frances Kent that are proving so popular.....\$20.00

**RIPPLED SUNSHINE** (Hope '61) M. 36 in. (Truly Yours x Limelight) X (Riviera). Gorgeous companion to Glamorous and both are Riviera seedlings. The blooms are large and semi-flaring with medium yellow standards. Falls are same with white area in center. Yellow beard. Heavily ruffled and laced. Well branched. Fertile both ways.....\$25.00

**SPANISH AFFAIR** (Shoop '61) M. 36 in. No. B55-22. ((Jeb Stuart x Floradora) x (Salmon Shell x Apricot Glory)) X ((Jeb Stuart x Floradora) x (Salmon Shell x Pink Formal)). Beautiful ruffled blend with standards of orange-peach and wide hafted, flaring falls of light lemon infused orange-peach with darker border. Beard is blazing tangerine. Fine breeder for orange and Palomino type flowers. H.C. '60.....\$25.00

**TOMECO** (Suiter '61) M. 36 in. (Owyhee) X ((Captain Wells x Burmese Ruby) x Technicolor). Really gorgeous new large and smooth dark oxblood red self. Petals are very wide, form is semi-flaring and the blooms are well held and well placed on the nicely branched stalks. Fine breeding potential for use with things like Captain Gallant, Bang, Main Event, etc. H.C. '60.....\$20.00

**TRES BIEN** (Plough '61) M. 33 in. No. 55-70-9. (Gay Paree x Palomino) X (Frances Kent x Palomino). Unusual and beautiful yellow and white blend. The standards are white flushed canary. Falls are white with light yellow edge and deep orange beard. The flowers are nicely ruffled and flaring.....\$20.00

# NEW

## EASTER VALLEY

(Plough '61) ML. 37 in. No. 54-83-42. (Butterscotch Kiss sib X Sugarplum). Very lacy and shirred creation with standards of Heliotrope, Wilson 636/3, edged buff and falls same with hafts of Aureolin Yellow, Wilson 3/1. The beard is very wide and prominent and is Indian Yellow, Wilson 6/1. Well branched. Fertile pad parent.

---

\$25.00

## FRENCH FLAIR

(J. Nelson '61) ML. 40 in. No. 58-107-3. (Wide World X Rehobeth). The shading in this lovely flower makes it unusual and captivating. The closed standards are Hyacinth Blue, Wilson 40/2, deepening toward the center to a luscious darker blue. The falls are lighter and flare nicely. This has a fine candelabra stalk with four branches and terminal, and is an exceedingly prolific grower. Fertile both ways. H.C. '60.

\$25.00

# FOR '61

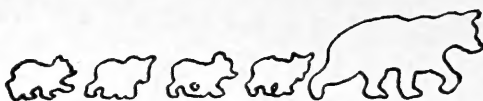

## LEATHER LACE

(Plough '61) EML. 34 in. No. 53-117-45.  
 ((Chivalry x Blue Rhythm) x Chinook Pass)  
 X (Ruffled Gem). Large blocky flower with  
 very heavy and leathery substance. The  
 wide petals are lightly laced. From blue  
 and brown breeding, this is an odd shade  
 of blue with falls of Campanula, Wilson  
 37/1, and they lighten with some incon-  
 spicuous veining by yellow beard. Stand-  
 ards are lighter, Wilson 37/2, but flower  
 has the effect of a self, counting quite blue.  
 H.C. '60.....\$30.00

## LORNA LYNN

(Plough '61) EML. 35 in. No. 56-59-29.  
 (Peach Plume X Pink Enchantment). Large  
 semi-flaring flowers of Salmon, Wilson 412,  
 with pink tones. There is a yellow flash  
 below the beard which is Saturn Red, Wil-  
 son 13/1. This has great carrying power.  
 Well branched. ....\$20.00

We can't bear it if we  
don't have your order.

Check enclosed.....	\$12.50	Check enclosed.....	\$60.00

If you wish to leave the selection of your free iris up to us, we'll give you better value.

Please do not figure out the mathematical percentages and show discount, but enter order as shown in examples above. In this way you select your own free extras. We do not allow you to pay for part of the value of one iris and take the balance of cost of this same iris as your free extra. (This would be the same as a cash discount.) Remember, we have no cash discount.

Order early as some varieties are in short supply. On later orders, please give us second choices on free premium iris. This will save time and correspondence. Keep in mind that we ship only during July and August.

Remember that we pay postage or express on all orders in U.S.A. Foreign shipments are F.O.B. Wenatchee.

Please do not write letter on order blank, but use separate sheet. All orders will be promptly acknowledged. If you list your order alphabetically, it will save us time and money. You will gain by it, too; try it and see.

We do not issue a Wholesale list. Dealers, send us alphabetical list of stock in which you are interested and we will quote you. Please use your garden letterhead or give other evidence of your commercial status. Minimum order \$10.00.

**TERMS:** Cash with order. Please remit with money order or check made out to Eden Road Iris Garden. No C.O.D. orders or stamps accepted. Minimum order \$10.00.

**SHIPPING** will be by rotation as orders are received and will begin in early July and continue through August.

**POSTAGE OR EXPRESS** will be paid on all orders in the U.S.A.

**GUARANTEE:** All rhizomes are guaranteed to be true to name, labeled, top quality and size, free from insect pests and disease. If for any reason you are not completely satisfied please notify us promptly. On failures to grow, notify us by November 1.

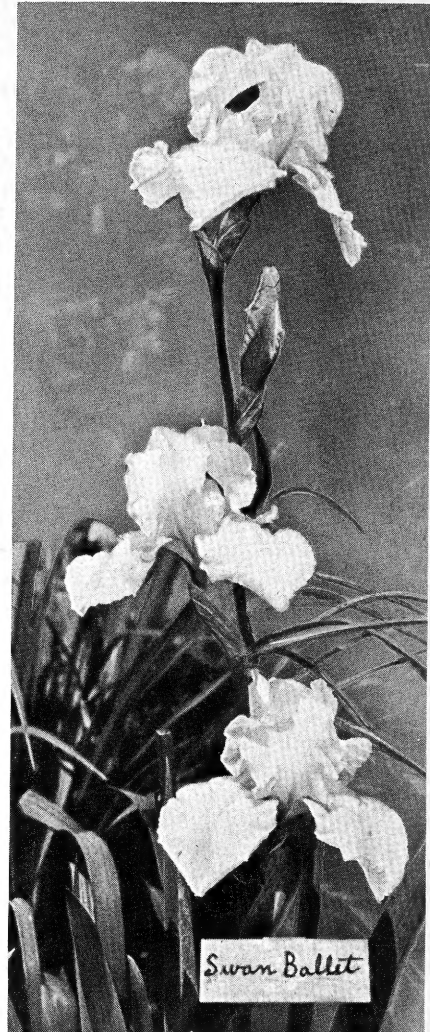

**FOREIGN SHIPMENTS** are F.O.B. Wenatchee.

**WASHINGTON STATE RESIDENTS only**  
—please add 4% Sales Tax.

**Most of the recent Eden Road introductions** may also be seen in the showcase garden of Mr. and Mrs. L. L. "Lynn" Hoffman, 113 D St., Davis, California. They are our agents for the Sacramento area and invite you to see these new creations and will be happy to take your orders.

Foliage is variable, running from all green to all white with some fans variegated and others nicely striped. The flower is quite large and of a clear light yellow. It is semi-flaring in form. Cream Cockatoo may produce something unusual. A pink iris with foliage of Zebra would be a sensation. Earliest orders will receive the most uniformly striped fans.....\$1.50

**CREAM CREST** (Muhlestein '59) ML. 36 in. (Sib. to Utah Cream x Yellow Tower) X (Sib. to Utah Cream x Spring Sunshine). Very wide cream with clean ruffled hafts of lemon yellow. Beautiful and appealing. H. M. '59. \$20.00

**CRESCENDO** (Tompkins '55) ML. 39 in. (Manana X Garden Glory). Not unlike Garden Glory, but a much better performer, and taller. The broad, heavily substantced petals have a velvety, non-burning finish. Branching is excellent. H. M. '55.....\$5.00

**CRINKLED IVORY** (Schreiner '58) EM. 34 in. (Sdlg. x Spanish Peaks) X (D. Hall Sdlg. x Limelight). Very broad petaled sparkling ivory cream of crisp texture. This has a translucent crystalline quality that is unusual. H. M. '59.....\$10.00

**CRINKLED SUNSET** (Plough '57) ML. 32 in. (Quest X Cliffdell). Sib to First Flight. A very heavily laced and shirred creation. A blend of sunset coloring, the standards are lavender and buff while the falls are violet, pink, and buff. If you are working with lace, you will want this beauty. Very colorful. H. M. '58.....\$7.50

**CROWN POINT** (Tompkins '58) ML. 38 in. (Lela Dixon X Dotted Swiss). White ground plicata with a broad border of clear sky blue stitching around the standards and falls. Full white beard. The heavy substantced flowers have wide petals with wide hafts that are ruffled. Bloom placement and branching are excellent.....\$10.00

## ON COLOR CATALOGS

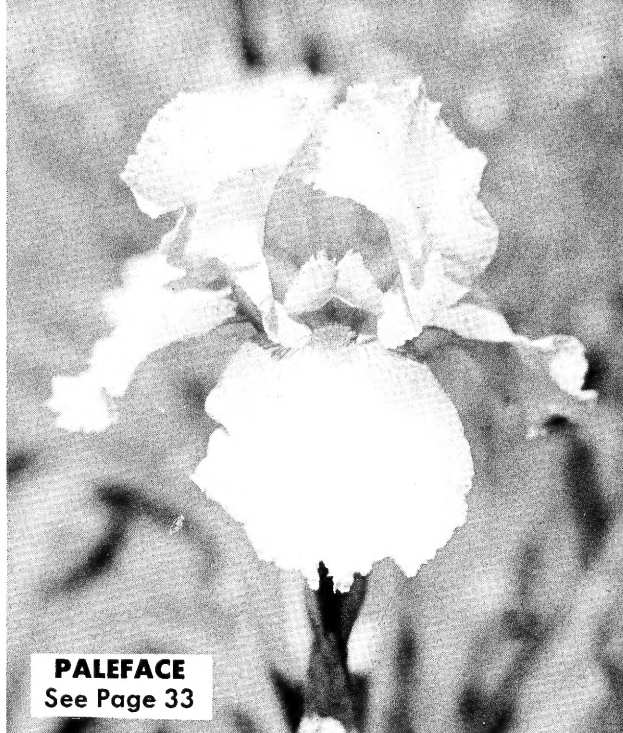

We have been sending our catalog to all of you who have ordered from us the past year. Then even if you skip a year without ordering we have sent a catalog to you. We have also been sending catalogs to all the membership of the American Iris Society, within the U.S.A. These membership tapes used to cost \$15.00, then \$25.00, and on to \$40.00, in keeping with the general inflation. Now our Board of Directors have shortsightedly seen fit to increase this cost to \$75.00, which of course is out of all reason. That is out of our range, so this will have to be the last year when the catalog is sent to the AIS membership as a whole, free. Of course, color catalogs are tremendously expensive and getting more so each year. The token charge of 25¢ we make does not begin to meet the cost, but is made to deter the picture collectors and those who send for them with no thought of ordering iris.

So many of our customers have written how much they enjoy our catalogs and the wealth of detailed information compiled on each variety listed, and how they keep a file of them for reference.

Of course we have to depend on **your orders** to keep the wheels turning here. It is up to you, the public, to say whether we keep operating or close the garden. There are only a handful of commercial gardens left in comparison with what we had a short few years ago. We have tried to assemble the greatest array of newer iris for you fanciers that we have ever listed, and at fair prices. Our future is in your hands. Your orders are your vote.
